Clients of Mary Akpovi benefit from her unique blend of auditing, financial accounting and tax expertise. She has worked in public accounting since 1976, helping companies and business owners merge, acquire and plan for growth. Mary is a dedicated consultant to her clients, both domestic and international. Her clients treat her as a valued member of their management team.

Personal Data

Mary earned her Ph.D. in Business Administration with a major in Taxation and Financial Accounting and a minor in International Economics from the University of Southern California (USC) in December 1983. She also holds a Master of Business Taxation (MBT) from USC and a Master of Business Administration (MBA) from the University of Santa Clara. Mary is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants. Mary participates in various charitable organizations that provide services to children and the elderly.

Firm Profile and Philosophy

Martini, Iosue & Akpovi is an established, Los Angeles-based accounting firm whose combined background encompasses both public and private industry. The four partners work as a team, taking an active hands-on approach to clients' business and personal financial management. The firm's commitment is helping companies and individuals achieve business and financial goals by asking these relevant questions and working with the client to find solutions:

- What are your goals for your career/business?
- Are you equipped to meet these goals?
- Does your current environment support these goals?
- Do you have adequate resources?
- Do you have effective tax planning?
- Is your estate in order and do you have a personal/business succession plan?

Services

- Business strategy and operations consulting
- Tax consulting, planning and compliance, including multi-state and international
- Estate and financial planning
- Estates and trusts - tax planning and compliance
- Foreign trusts - tax compliance and reporting
- Mergers and acquisitions, including due diligence
- Accounting and auditing

Client Profile

- A growing closely held business - start-up through \$300 million of sales
- A professional, an executive or a business owner
- A company or an individual with multi-state or international operations
