## Connecting To Your Needs...

**The health care delivery system is complicated.** Businesses just want to attract and retain quality employees, not become health care experts. We understand business needs, and will help you select affordable benefit plans, and make sure they work the way they should. Our value added administrative services add up to an outsourced benefit department.

**You benefit from our independence.** As independent agents, we work for you. Because we represent hundreds of insurance products in the US, we can offer you a variety of coverage choices and customize a program to meet your specialized needs!

Medical Insurance	Employee Assistance Plans
Dental Insurance	Rewards & Recognition Plans
Vision Insurance	Short & Long Term Disability
Long Term Care Insurance	Voluntary Plans (cancer, etc.)
HRA/HSA w/ High Deductible Plans	Flexible Spending Accounts
