Here is what to do if your are contacted by law enforcement:

In public: "I would like to go about my business. If I am free to leave, I request to do so."

If you are told that you have the right to an attorney before questioning: "I do not wish to appear uncooperative but I refuse to answer any questions without my attorney present. My law firm is the Law Offices of Triessl and Morris at 818.990.5551."

If you are asked for consent to search: "I do not consent to any searches of my person, property or vehicle."

If you are asked for entrance into your home: "You do not have permission to come into my home."

If you are over 21 and are stopped on suspicion of driving under the influence of alcohol and/or drugs: "I will not take any field sobriety tests and I will not take the PAS test (the preliminary alcohol screening test)."

If you are under 21 and are stopped on suspicion of driving under the influence of alcohol and/or drugs: "I will not take any field sobriety tests." You are not permitted to refuse the PAS test.

If you arrested for DUI: The officer must give you the option to take either a breath or blood test. A urine test may be among the test choices if the officer suspects that you are under the influence of a controlled substance. You must submit to one of these tests: you do not have the right to an attorney when making this choice or at any time before or during the test.

"Dear Sharon, I wanted to send you a short personal note of thanks for all of your help with my recent dilemma. You are above all diligent and tenacious! I really appreciate those traits." (R.M.)

"... for an angel in my life, Sharon. I am so grateful to you. Thank you for knowing how to and being able to help me save my life. I am touched by your generosity. It never ceases to amaze me that when we have beautiful human beings in our lives we are constantly introduced to more caring, wise and loving souls and angels that touch our lives in ways that are beyond measure or we can touch theirs. It is truly miraculous. I'm sure an angel such as yourself who helps people...out of legal problems has had many letters such as this. However, you went to a place that not many in my life have gone. You have touched me deeply for caring, for helping and for being an amazing human being in my life. Thank you! Always." (M. H.)

"Sharon, both M. and I appreciated the professional legal services that you provided to help L. in the recent...case. Your advice was priceless but more importantly I felt like we were dealing with a person rather than a lawyer. You are a great listener and provided us comfort and assurance...I would like to share this with you. I received the following email... '8 angels are sent to you. You must send them to 8 people. In 8 minutes you will receive something you have ...awaited... Have faith!' I sent this email to 8 friends. I soon received a call from you that L's felony...was reduced to a misdemeanor. Sharon, you were our angel. Warmest regards." (B. and M. A.)

"We can never thank you enough for everything you've done for my son. God bless and keep you and yours." (K. M.)

"I had a legal matter wherein 2 previous attorneys failed to bring to a favorable resolution. Recently, I had occasion to observe the work of Ms. Morris, and I was very impressed. I contacted her regarding my case and decided to retain her. She meticulously prepared a forceful and clear presentation to the court. Ms. Morris handily prevailed over vigorous opposition from opposing counsel." (R. S.)

"Dear Sharon: ...Our holiday season was very happy, particularly because J. was with us (thanks to you!)...I want to sincerely thank you for all that you have done for J. and continue to do. You've made this unpleasant journey more bearable." (L. A.)

"Dear Sharon, you are the grooviest lawyer and person ever...Thank you for everything and thank you for your laughter during hard times. My sincere gratitude!" (E. C.)

"Dear Sharon: I want to thank you for the wonderful job you did during the past year and a half in handling C's case. I am convinced he could not have had a better representative than you....we were lucky to have you...He could not have graduated had it not been for a lot of hard work and meetings by him and your expert legal representation! Thank you." (B. W.)

"Dear Sharon – ...M. and I are so grateful for what you have done for us. Not only are you a gem of a person, you just might be the best attorney in the world! Going through this experience with your help and support was the only way we could have gotten through it! Thank you, thank you, thank you a million times." (M., C. R.)

"Sharon, J. and I would like to thank you for all your help with his DMV case. We appreciate the time and dedication you put into resolving the issue. Although the outcome was not as good as we had hoped it to be, we still are satisfied with knowing we tried. Throughout the case you have always made us feel rest assured that everything was handled properly, and for that we are grateful." (J. L., A. K.)

"Sharon and everyone at Triessl and Morris...Thank you for being so wonderful to me at such a low point in my life. You are truly amazing women. I know that I am making the best choice in hiring you to represent me. Thank you all again...so much. I feel like I can finally breathe again after meeting you..." (K. L.)
