Candice Lee Joins Barry Kurtz, A Professional Corporation

Candice Lee

We are pleased to announce that Candice Lee joined the firm as an associate in April 2010. Candice previously was an associate with O'Melveny & Myers L.L.P. in San Francisco, California, where she represented public and private companies in securities and corporate governance matters. Prior to that, Candice was an associate with McDermott, Will & Emery L.L.P. in Irvine, California, where she gained experience as a transactional attorney on a wide range of real estate and merger and acquisition transactions. She also served as an Extern for The Honorable Ernest M. Hiroshige, Superior Court in Los Angeles, California. She received her J.D. from the University of Southern California, Gould School of Law, in 2005.

Candice will work on transactional matters and franchise registration, disclosure and compliance matters for the firm. Candice's experience in business transactions, corporate governance and securities law will be a stepping stone for her practice of franchise law. In addition, Candice grew up in a family owned, franchised restaurant system and understands the ins and outs of franchising on both a personal and practical level.
