NotMe Solutions Inc.

CERTIFIED #NotMe CULTURE

Why #NotMe?

➔ Speak Up Safely

- Reports created in the #NotMe app and shared with ProVisors
- You own your reports and not ProVisors
- Covers you as an member when you keep track of reports through the app
- Anonymous reporting - if you choose
- Bystander empowerment - as a witness, you can speak up too
- Anonymous two-way chat for you to discuss report contents with your investigator
- All notifications come to your personal, not work email
- Submitting a report takes about 3 minutes

➔ ProVisors Commitment To You

- Making your organization safer - ProVisors genuinely cares
- #NotMe acts as a detractor for current and future misconduct
- Provides you a place to not only report misconduct but also give constructive feedback
- Better listen to what you have to say as you're the eyes and ears

We Are Creating a Speak up Culture

- ➔ **All reports are taken seriously**
- ➔ **Your trust is important to us**
- ➔ **We will not retaliate**

What Should I Be Reporting?

- **What types of things do we want you to report?**

  We want you to report anything that is a violation of our Code of Conduct - whether you are the victim or a witness to a situation.

- **What is not reportable on #NotMe?**

  ProVisors does not get involved in business deals that have gone awry. This is something that needs to be worked out between members directly.
